

---

For our Community Service Day, on **Monday, October 14<sup>th</sup>**, Trona Valley will be hosting a Reality Fair for you and your peers, and we are excited that you will be joining us.

Prior to our event, you will need to download this app from the Play store on your phone (if you should not have a phone to use, we will have tablets for check out):

Once you arrive, you will be given a Sponsor Code and an Event Code to start the simulation.

During your time with us, you will be going through a "Real Life Simulation" where you will be guided through a day in the life of an adult. You will make personal financial decisions in every area of life. You will move from booth to booth with the Bite of Reality app guiding you.

You will be given a persona for the day. The persona includes an occupation & income, a credit score, student loan debt owed, credit card debt owed, and cost of medical insurance. Some participants will have a spouse; some will be single; and all will be parents.

You will build a monthly budget based on your income. You will visit nine merchants to purchase housing & utilities, transportation, clothing & personal care, groceries & dining, household needs, entertainment, childcare, shopping, and a credit union for financial counseling and other banking needs and services.

Our goal is to set you up for financial success beyond high school and we believe this will be a great place to start!

Looking forward to working with you,

The Trona Valley Staff
